Date: *01.06.2019*

Request for Proposal

For selection of Service Provider for Supply, Installation, Operation and Maintenance of Vehicle Tracking System

Assam State Transport Corporation offers Reliable, Safe, Dependable and Comfortable public transport service. Bus Services of ASTC covers rural and hilly roads, highways as well as city roads across the state. Besides this, it also provides Interstate Transport Services to the neighboring states as well. Apart from providing public transport service, ASTC also provides various other allied services to the general public and other PSUs. Continuing with this initiative of providing the best possible services to the general public and other PSUs, ASTC intends to implement GPS based vehicle tracking system. Hence, ASTC hereby invites interested firms who have the required experience in design, supply, installation, operation & maintenance of vehicle tracking system to provide the service.

Who can Apply:

- Single Bidder/ Firm
- Bidder should have an annual turnover of INR 5 Crores or higher in each of the last 3 financial years (till 2017-18). Bidder should have a positive net worth in each of the last 3 financial years
