Sub: Financial Evaluation of Bid.

Sir,

It has been observed during scrutinizing of tender documents and comparative statements framed by you on financial evaluation that you have entered the grand total “Bid Price” up to one paise. As transaction from bank is not up to paise the amount so taken into consideration has no meaning. Hence, the bid price may be rounded off at grand total amount arrived at after multiplication and summing up from detailed item wise rate and quantities to nearest rupee by ignoring paise below fifty and to next rupee for amount fifty paise or more.

Thus, in the financial bid the ranking of bidders should be made and may be forwarded to the Govt. for placing before the tender committee.

This has come into force immediately from the date of issue of this circular.

Please circulate the contents of this circular to all E.E. / A.E.E. under your jurisdiction for necessary action.

Yours faithfully,
